

Market Soundings and Wall Crossings

Market Soundings and Wall Crossings typically involve the communication of information, often material non-public information, to a number of potential investors in anticipation of, and in order to identify interest in, a potential market transaction. This information may relate to the potential size, price and offering of new or existing securities or similar types of deal related transactions. All Market Sounding and Over The Wall requests must be sent to the Tudor Legal and Compliance department for review and approval prior to being sent to any other Tudor recipient and before any inside information or potential inside information is communicated to the investment team.

Should you wish to discuss a Market Sounding or Wall Crossing with Tudor, please email:
market-soundings@tudor.com.
